

# Case Study

Project Title:  
Saxon Village, Grantham

Client:  
Barratt David Wilson Homes,  
North Midlands

Contract Value:  
£40k

Contract Date:  
Dec 2008 – Jan 2009

Dimensions:  
Approx. 120m<sup>2</sup> per garden

## Brief:

To create a useable and aesthetic outside space from extremely difficult sloping gardens.

“The retaining wall structures implemented at a number of plots at Saxon Grange, Grantham, which were designed and installed by **tcl**, have made a significant impact to the way in which outside space is able to be enjoyed at these homes.” Mark Coates, Technical Director, Barratts/DWH North Midlands

## Before:

## About tcl:

**tcl** is one of the largest, most progressive landscape service companies in the UK. We consistently provide high quality landscape consultancy, design, construction and maintenance services to customers nationwide.

Over 25 years we have established a reputation for high quality and cost effective landscape solutions. We understand how important these values are to our customers, that's why we always specify premium grade materials and the use of best practice, ensuring all projects are completed to the highest possible standard.

## Plan:
