

Whether you're a landscape professional, a local authority buyer or a garden designer, Covey Nurseries has a great selection of plants, shrubs and trees that will instantly bring your landscaping project to life. With the widest selection of mature and semi-mature specimen plants available locally, we're undoubtedly one of the best in the region for choice, size and quality. What's more, we deliver outstanding value too at trade prices. At Covey you'll also discover an extensive range of carefully selected garden products from hot tubs, gazebos and playhouses to paving, decking, outdoor furniture and much, much more, all supported by nationwide delivery.

Quality Service & Products

Covey Nurseries believe that great service doesn't stop at just providing the best products available. That's why our enthusiastic team of specialists are always at hand, ready to provide guidance on a range of gardening issues. They understand the benefits good design and great plants bring and will be pleased to offer their advice, helping you get great results every time.

So, whether you are looking to add a unique feature or need just that one special plant, you're almost sure to find what you're looking for at Covey. In the unlikely event that we're unable to deliver from stock, we'll quickly source a solution from our network of national and international suppliers.
