

landscape services

For over 25 years **tclandscapes** has provided a range of 'outside space' services to residential and commercial property developers throughout the UK.

Now one of the largest and most progressive landscape companies in the country, **tclandscapes** provide high quality landscape consultancy, design, construction and maintenance services to a nationwide range of clients.

With a reputation for innovative yet cost effective landscape solutions, **tclandscapes** offer a range of services established to support house builders in the design and build of inspired outside spaces. The main aim of which is to facilitate footfall generation throughout the early sales process, accelerate downstream house sales and achieve early adoption of developments by local authorities later in the cycle. We understand how important quality is to our customers, which is why we only specify the best materials and practices to ensure all projects are completed to the highest possible standard.

Why choose **tclandscapes**

- Commitment to quality - All projects are undertaken by our own directly employed work force, all of whom carry CSCS cards, comply strictly with Health and Safety legislation and are appropriately trained in their field. **tclandscapes** is accredited with both ISO 9001 (2000) and ISO 14001
- We are focused on the house builders' key objective - selling houses. At **tclandscapes** our aim is to help our customers achieve their objectives which is why our services have been established to support the house builder across the sales process through the delivery of inspired outside space solutions that will help to sell houses, quickly
- A one stop shop - With a range of services that cover early stage design and landscape consultancy, sales complex and street scene design and construction and later stage maintenance requirements, **tclandscapes** provides integrated support to house builders throughout all stages of the build programme
- Support, as and when required - Through our extensive operational team **tclandscapes** have the ability to deliver scale projects for house builders ahead of key events whether they be scheduled sales events, sales complex openings or VIP visits
- Complexity - With a range of specialists within the business covering a broad range of disciplines, **tclandscapes** has the ability and skill-set to deliver complex landscape construction projects on behalf of our clients

tclandscapes is one of the largest, most progressive landscape service companies in the UK, consistently providing high quality landscape consultancy, design, construction and maintenance services to customers nationwide.
